15 April 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 15 April 1968

DD/I drew attention to an article in the New York Times regarding Admiral Rickover's efforts to gain support for the construction of faster, more powerful nuclear attack submarines.

DD/I reported that the conference on enemy strength figures may produce a coordinated position shortly.

Godfrey discussed possible explanations for the cause of the recent North Korean ambush of a United Nations Command unit near Panmunjom.

25X1 [ ] observed that all interested parties in the intelligence community are working together in harmony with regard to Pakistan's decision to terminate its communications agreement with the United States.

Carver commented on the Thomson article on Vietnam in the Sunday Washington Post.

DDCI informed that the covering letter for NSAM 368 is ready for the Director's review and approval.

25X1
